## Lesson Fees & Charges

**Scarpia Music** normally operates over a 30 week year so the charges can be paid either annually or termly. Please see the [application form](#) for more information. If a pupil wishes to extend the lessons to more than 30 over the year then the session rate still applies and is charged on a pro rata basis.

Schools that prefer to arrange the tuition fees themselves, are charged at **£30 per hour**. These schools then decide on the cost per pupil. For all other tuition services pupils will be invoiced directly.

Private lessons are given in a variety of locations including the pupil's or teacher's home or any other suitable venue.
